When a U.S. payor makes a payment to a non-U.S. vendor, it is required to determine if such payments are subject to United States reporting and withholding laws. To inform the payor that the payments made to Vendor are not subject to such reporting and withholding laws, I certify that:

1. The nature of payments made to Vendor are solely for:
  - ☐ Professional services (e.g., installation services, freight or shipping services, or other services) performed entirely outside of the United States, and/or
  - ☐ The sale of any goods, inventory, or raw materials.
2. I am authorized to sign this certification on behalf of the above named Vendor.

**If this certification becomes inaccurate, such as new or additional types of services are provided (e.g., services that may give rise to license fees, royalties, interest, etc.), we will require a statement or Internal Revenue Service Form W-8\* to be submitted immediately.**
