

MATERION

Materion Inorganic Chemicals Catalog - General Information

PRICING

Listed prices are in U.S. dollars, FOB Materion Electronic Materials Milwaukee warehouse. Prices are subject to change without notice. Pricing found on this site is honored for two weeks from date page is printed. Listed prices are for the materials only and do not include any applicable taxes, duty, freight or insurance charges. Additional charges for packing or shipping may be required.

REQUEST PRICING

Materion has always been willing to synthesize rare and difficult to make inorganics. In some cases, those materials are not commonly manufactured, involve complex manufacturing techniques or exhibit fluctuating raw material costs. Such items are listed without prices and state "request prices."

Reviewing our costs on an as-needed basis allows us to offer the most competitive prices to our customers. Please contact sales at 414-289-9800, email to OrderChemicals@Materion.com or [click here](#) to request a quotation on these items or any others that you may not find listed in this catalog.

SHIPPING

We will ship according to the method specified on your order, whenever possible. We reserve the right to change the requested method of shipment if regulations or other considerations dictate. If additional charges are required for packaging or due to regulation, these charges will be separately listed on your invoice.

TERMS

Standard payment terms are Net 30 days. [Click here](#) for complete terms and conditions of sale.

SDS

Materion products are intended for use by qualified professionals familiar with potential chemical hazards and safe handling and processing procedures. Information pertaining to the potential hazards of our chemicals is provided on our labels and in Safety Data Sheets, which are in compliance with OSHA. An SDS is provided with every shipment, or can be accessed via the SDS Search section of this web site.

WARRANTY

Materion warrants to the buyer that its materials meet the specifications defined in writing as found on this web site and Materion Electronic Materials literature. Materion's obligation under this warranty is limited to replacement or credit for non-conforming material. Materion does not guarantee end-use results for any of its products.

RETURNS

If you encounter a problem with your order, please contact Sales at OrderChemicals@Materion.com or by phone at 414-289-9800. Arrangements must be made with us prior to returning any materials and such requests for return authorization must be made within 30 days of receipt of the materials. Some materials may not be returnable or a restocking fee may be charged on the return of some goods.
